A Small Business.

Those Democrats who forgot to vote last November and those who bolted their party nominees and voted the Republican ticket, will learn with some surprise that Gov. Willson has directed Mr. Hedden, the supervisor of printing, to have new checks printed with the likeness of the late Gov. Goebel eliminated and the picture of Henry Clay substituted. The first surprise will be to learn where Gov. Willson got the authority to do this. There is nothing in the law that makes a Governor the official designer of printing or the arbiter of engraving. The Governor never sees any State checks except his own monthly salary. The second surprise will be that a non-partisan Governor, whose aim is to lift the State out of the ruts of party politics, should seize upon this opportunity to show his hate for a man whom the people of the State elected to the high office of Governor or who was foully assassinated by men of Governor Willson's political faith. It is a small piece of business that Gov. Willson should be ashamed of.—Frankfort Journal.

The following is from the pen of the accomplished wife of Editor F. J. Campbell, of the Somerset Journal: Not much change since the new date. Now we write it Nineteen Eight. Not much change that I can see: Same old "copy," same degree. Same old office, same old nook; Same old empty pocket-book, Same old doings in Somerset, Same old "hot air" you can bet. Same old boasting in the land, That will surely beat the band. Same old joke we used to hear, Lived until this good New Year. Same old Journal, can't be beat! Clean, instructive, newsworthy, neat! Mean to take it, sure as fate, Sign up now for nineteen-eight, Same old taxes and—O, gee! Same old writer—B. B. C.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Penny's Drug Store.

NEW LAW AS TO NEWSPAPER SUBSCRIPTIONS.—An order promulgated on December 4 denies to publishers the privilege of sending copies to subscribers as such after a specified term following the expiration of the subscription. Hereafter publishers of weekly newspapers can not carry subscribers in arrears for more than one year, semi-weekly more than nine months, tri-weekly longer than six months, and dailies longer than three months. For each violation the publisher will be fined one cent for each four ounces. Since the average newspaper weighs four ounces or less, each paper sent to a subscriber in arrears for a longer period than indicated will cost the publisher one cent fine. Our subscribers will see now that we are compelled to do something of a cash business and they will please govern themselves accordingly.

Simple Remedy for La Grippe.

La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Refuse substitutes. G. L. Penny.

"Now the season of the green apple has arrived," said the teacher, "and—" "Yessum," shouted Tommy quickly. "You should not interrupt me, Tommy, but how did you know about it?" "I've had inside information, ma'am."

John Fay, released, from the penitentiary after serving a three-year term for setting up a game of chance, was re-arrested on his arrival at Mt. Sterling on several charges, one of them being shooting with intent to kill.

Great Britain uses 72 pounds of salt per capita per year.

BRODHEAD.

Earle Tharpe, aged 14, son of Mrs. P. W. Tharpe, procured a piece of iron pipe, plugging one end and putting a large quantity of powder in at the other. He touched it off and the results are one eye almost, if not entirely out, the other badly injured and his face and body badly burned.

Mrs. Elizabeth Owens, aged 81, wife of Rev. Martin Owens, of the Ottawa neighborhood, after a lingering illness, passed away last week. She was an estimable lady, a devout Christian and greatly loved by all. She was the mother of our druggist, J. F. Watson, she having been married twice.

Last Monday about 8 A. M., Mrs. Amanda Sigmon, wife of John Sigmon, passed away. She had been a sufferer for a long time and death did not come unexpectedly. She leaves besides her husband, one son, Grant Sigmon, of Corbin, who is a conductor on the Cumberland Valley Division. Rev. A. J. Pike conducted the funeral services last Sunday, preaching an excellent sermon from the text, "She is not Dead," after which her remains were laid to rest beside her daughter in the Baptist church yard.

Granville Owens was in Mt. Vernon last week. Albert Hiatt, son of Allen Hiatt, of Hiatt, is clerking in the bank here. Miss Cora Wesley has returned to her home in Liberty after spending several days with her aunt, Mrs. Durham. Several prominent railroad officials remained here over night last Wednesday. They came on a special train and the object of their visit is being guessed at. Charles Lyons and wife were with Mrs. Mary Albright. Mr. Lyons is looking after his timber interests near here, contemplating putting in a saw mill soon. Capt. Joe Doody, one of the most popular passenger conductors on the L. & N., and running between Corbin and Norton, was here to attend the funeral of Mrs. Sigmon.

IN MEMORIAM.

In memory of F. S. McClary. From our midst the hand of God Has chosen a rare, rare gem, Has robbed his wife, Of whom her soul loved best, One of the noblest of men.

His dear little babes, wishing for him, Miss his kind and loving care, But God chooses wisely, We must not complain That which is our sad loss Is heaven's great gain.

The one He has taken is happy we know And just waiting his loved ones To come to him there, Where sorrow is not known, Neither pain nor care.

Yet our hearts ache in silence For his presence so sweet And we pray that in heaven When our earth's work is done We shall there forever be with that absent one.

Rank Foolishness.

"When attacked by a cough or a cold or when your throat is sore, it is rank foolishness to take any other medicine than Dr. King's New Discovery," says C. O. Eldridge, of Empire, Ga. "I have used New Discovery seven years and I know it is the best remedy on earth for coughs and colds, croup, and all throat and lung troubles. My children are subject to croup, but New Discovery quickly cures every attack." Known the world over as the King of throat and lung remedies. Sold under guarantee at Penny's Drug Store, 50c and \$1. Trial bottle free.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lunghealing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Always, demand Dr. Shoop's Bough Cure. Penny's Drug Store.

That it was beneficial and quick in relieving me there is no doubt and it is my intention to obtain another bottle." For sale by all druggists.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop, of Racine Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. "Health Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real Coffee in it either. Health Coffee Imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for Coffee. Penny's Drug Store.

Democratic Ticket.

For United States Senator,
J. C. W. BECKHAM.

RECOMMENDING \$500,000 to furnish the million dollar capitol and an appropriation for a new executive mansion, Gov. Willson seems to be anxious to get rid of the surplus the democrats left in the treasury. We predict that in less than two years the finances of the State will be in as bad condition as they were eight years ago when Ex-Gov. Beckham took charge of affairs, and the belief is not father to a wish either.

THE Kentucky Union of the Society of Equity met at Henderson. Speeches were made condemning Gov. Willson's charges and declaring that the society in Kentucky was greater than the Governor and that the national organization eclipsed President Roosevelt "with Secretary Taft thrown in." Did anybody ever hear of anything more ridiculous?

AFTER taking six or eight months to make up his mind, Pearl Wight, of New Orleans, has declined the position of Internal Revenue Commissioner to succeed John W. Yerkes. The president is finding it difficult to fill the place of "kid glove" Johnny.

THE wicked city of Danville has licensed pool and billiard rooms. This with a bucket shop and a ten-pin alley will give the young citizens of Little Britain a chance to spend their and their father's hard-earned cash.

TO-DAY at noon a vote for U. S. Senator will be taken, when we believe and hope that Nominee J. C. W. Beckham will be elected. Unless there are traitors in the democratic camp he will win on the first ballot.

POLITICAL.

W. F. Neikirk, of Springfield, was appointed Fire Marshal.

Lewis B. Thomas, five times Mayor of Bloomington, Ill., and a prominent Republican, is dead.

Justice John M. Harlan says he is out of politics for good, and will remain on the Supreme bench.

Gov. Hughes' boom for the presidency was launched in New York at a Hughes' dollar dinner given by the republicans of the 29th Assembly District.

Gov. Willson will not have a private office in the new capitol, preferring to have his desk in a corner of the general reception room, where he will be accessible to all callers.

Republicans of the Seventh Indiana district at a meeting in Indianapolis adopted resolutions strongly indorsing the candidacy of Vice President Charles W. Fairbanks for the presidential nomination.

Representative W. J. Jackson, of Fulton and Hickman counties, draws \$102 mileage. He resides six miles from Mill's Point, in Hickman county, and has a long distance to travel to get to Frankfort.

Gov. Willson has refused to approve the appointment of D. W. Clark, of Barbourville, as State Labor Inspector, made by Commissioner of Agriculture M. F. Rankin. Thomas D. Davis, of Maysville, will get the place, which pays \$1,200.

Senator Clay introduced a bill authorizing the Secretary of the Treasury to issue on the credit of the United States \$350,000,000 of noninterest-bearing notes in addition to the United States notes in circulation in such form as may be deemed expedient.

No member of the lower house of the State Legislature will be unseated, it is said, and the Representatives have practically decided to allow both Republicans and Democrats against whom contests have been instituted to hold on throughout the session.

Signor A. Scavini, a representative of the Italian government, is in Frankfort to confer with Gov. Willson on the tobacco situation. He has been inspecting his government's properties in different parts of the State and will demand protection from the Governor.

Stanley Milward has declined the appointment as Fire Marshal and it is reported will be named by Gov. Willson as a member of the State Board of Control of Charitable Institutions. W. H. Neikirk, of Washington county, is said to have been offered the fire marshalship by Auditor James and to have accepted.

C. M. Barnett declined to accept the appointment as Fire Marshal and also resigned the presidency of the American Society of Equity. Mr. Barnett said he realized the insurance companies were opposed to his appointment, and as he did not desire to embarrass the administration he thought it best to refuse the place promised him.

The Senate at Frankfort adopted a resolution providing for the appointment of a joint committee to thoroughly investigate the tobacco situation in Kentucky. The committee is given power to summon witnesses and employ legal counsel. It will also be instructed to inquire into the feasibility of causing convict and reform school labor in the manufacture of tobacco.

President Roosevelt is said to have predicted to callers at the White House that Secretary Taft would be nominated for the presidency on the first ballot. The president is quoted as saying that Secretary Taft would have in the convention a solid South, a solid West and probably a solid New England; that he would have many votes from the Eastern States and probably a majority of the New York delegation.

CHURCH MATTERS.

Eld. Joseph Ballou will preach at the Christian church Sunday morning. The cornerstone of the new \$65,000 Methodist church was laid at Lexington Sunday.

Rev. Frank B. Clelland, of Harrodsburg, has declined a call to the Presbyterian church in Mt. Sterling.

Rev. W. O. Cochran, of Bristol, Tenn., has been called to the pastorate of the Georgetown Presbyterian church.

Rev. Walker, of Hinton, W. Va., has accepted the call to the pastorate of the Christian church here and will take charge the first Sunday in February.

The Barbourville Baptist Institute, which is controlled by the Southern Baptist Convention, has been promised the sum of \$25,000 from an outside source toward the erection of a dormitory.

An interesting Rally of the Christian Sunday Schools of this county will be held in the Christian Church here Wednesday, January 22nd. The sessions will be held at 10 A. M. and 1:30 P. M. under the direction of Robt. M. Hopkins, of Louisville, State evangelist. No set speeches will be made, but helpful conferences and discussions are to be had on vital Sunday school topics that are uppermost in the enthusiastic forward movement which the Sunday school is now making everywhere. All superintendents, officers, teachers and interested workers are urged to attend this rally at Stanford.

Capt. D. H. Goyen preached a most excellent sermon at the Christian church Sunday morning. The weather was very inclement or the church would have been crowded with friends of the remarkable old gentleman. He took as his text: "Render unto Caesar the things that are Caesar's and unto God the things that are God's." His sermon was full of good things and furnished much food for thought. It was couched in beautiful language and was an oratorical effort. Capt. Goyen is full of information on any and all subjects but especially is he conversant with gospel truths. We hope he can be persuaded to fill other pulpits in Stanford, for it is a real treat to hear the wonderful "little man."

MATRIMONIAL.

Thomas Mooney, aged 44, choked to death on a wad of tobacco at Vincennes, Ind.

Charles Blerlein and Miss Sallie Rothwell, Garrard, were married last week.

Terrell Jasper, of Mintonville, and Miss Bettie Tilford, of Liberty, were married last week.

A. J. Hasty, aged 66, and three times a widower, will be married Wednesday to Miss Fannie Mendix, aged 36.

Miss Katharine Taylor, daughter of Senator Robert L. Taylor, of Tennessee, and Matthew H. Taylor, son of Robert Taylor, of Trenton, Tenn., were married in Washington.

Edward Burch, at Hampton, Va., and Mrs. Meadwing, in Winchester, Ky., were married by long distance telephone. Rev. H. W. Stuart officiated from the Winchester end of the line.

Dr. Edward Alcorn, of Hustonville, announces the engagement of his daughter, Miss Ann Catharine Alcorn, to Mr. Hill Spalding. The wedding will take place in the spring.—Sunday's Courier-Journal.

Thomas C. Adams, for years editor of the Pentagraph, of Richmond, and lately identified with the revenue service, was married at Lexington to Miss Nellie Peyton, a well-known teacher in the public schools of Fayette. Rev. P. F. Adams, father of the groom, officiating.

Bad Stomach Trouble Cured.

Having been sick for the past two years with a bad stomach trouble, a friend gave me a dose of Chamberlain's Stomach and Liver Tablets. They did me so much good that I bought a bottle of them and have used twelve bottles in all. Today I am well of a bad stomach trouble.—Mrs. John Lowe, Cooper, Maine. These tablets are for sale by all druggists.

Do you know that rheumatic pains can be relieved? If you doubt this just try one application of Chamberlain's Pain Balm. It will make rest and sleep possible, and that certainly means a great deal to any one afflicted with rheumatism. For sale by all druggists.

An explosion of natural gas in a Joplin, Mo., hotel killed the clerk and fatally wounded Mrs. John E. Stevens.

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always find, soothe, and ease the irritated mucous tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take rough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now a little has come through—Dr. Shoop says "Put on the label if poisons are in your Cough Mixture." Good! Very good! Hereafter for this very reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it may be law to be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

THOSE who failed to hear the lecture of DeWitt Miller, and the majority of our people did, missed a treat. The "Reveries of a Bachelor" was at times amusing, then pathetic and always interesting. It is a delightful lecture and Mr. Miller makes the most of it. He would have a crowded house were he to give us a return date. By the way, the lecture club, which brought Mr. Miller here, is losing money right along. The club has one more attraction, which it is to be hoped will be better patronized than the three that have been here. It does not speak well for our people that such high-class entertainers as these should have to show to vacant chairs.

It is good news to us all that Prof. J. W. Ireland is to remain at the head of the Graded School another year. He was re-elected superintendent by a unanimous vote, as he should have been. We move that at the next election he be chosen for life. He fills the important place just right.

LOST DOGS.—Two black and tan dogs, one wearing collar of E. H. Walker, one wearing collar of T. C. Lear, Broadhead. Also two spotted bitches, one with collar of E. H. Walker and one with collar of Woods Walker. Disappeared Jan. 2 in cedars of Gooch place. Will not only be thankful for information but will come after dogs and pay liberal reward. Woods Walker, phone 152, Paint Lick Ex.

AT a meeting of the Crab Orchard Banking Co's. stockholders the following directors were re-elected for the present year: J. N. Singleton, Curtis Gover, Alfred Davis, J. C. Bailey, Jas. P. Bailey, J. S. Broughton, W. E. Perkins, John W. Holmes, J. H. Collier. The directors then re-elected these officers: J. H. Collier, president; W. E. Perkins, vice president; J. C. Bailey, cashier. This solid institution weathered the recent financial troubles splendidly and is on a firmer basis than it has ever been. See statement elsewhere.

CARTER ELECTED MARSHAL.—After a race that had been exciting from the start Bony D. Carter was elected chief of police by the city council at its meeting Friday night. A. C. Alford, who had been one of the three who had votes promised, was not nominated and consequently was not voted for. Councilman Geo. B. Sauley nominated Joe T. Embry and Councilman Ed Wilkinson put in nomination Mr. Carter. Unfortunately neither of the city fathers indulged in oratory and the large crowd of spectators was sadly disappointed. Nominations were declared closed and the voting then began. Councilmen Sauley, McKinney and Hardin voted for Mr. Embry and Wilkinson, Beazley and McClary for Mr. Carter. This was a tie and Mayor Florence broke it by voting for Carter. The new chief of police is capable of making a most excellent official and we hope and believe he will do it. He has courage, shrewdness and judgment, three qualities that fit him for the office. That he has a hard task before him, no sane person will gainsay, but if any man is equal to the occasion, we believe Mr. Carter is. Unfortunately our people do not stick to and back up their peace officers as they should, but in this good year we hope they will change for the better and help Chief of Police Carter in the effort to make Stanford the best and cleanest town in the State. The other officers elected are: L. R. Hughes, clerk, J. B. Paxton, attorney, W. O. Walker, treasurer—excellent selections, all of them. With good officers to help, the new council can now get down to business and proceed to make the "best town on the map," the best governed, as well.

THE crowd at the rink Friday night was just large enough to make skating enjoyable. The doors will be open as usual next Friday evening.

YESTERDAY's county court was the worst ever. A small crowd was in town and the few who came seemed to have no reason for coming from the amount of business they did.

WE hope soon to see Chief of Police Carter in a brand new, good fitting blue suit with brass buttons and the latest style of policeman's hat. He would look stunning in uniform and it is nothing but right that he should wear it.

THE mantel in Mrs. Jessie Stagz's chamber caught fire from the grate yesterday morning and the fire department responded quickly. By the time it arrived, however, neighbors had put the fire out and little or no damage was done.

PREACHERSVILLE is the latest town to open a skating rink. Messrs. R. G. Pettus and John W. Cummins are the promoters and on each Wednesday and Saturday night the Preachersville people and others who may wish, can skate to their heart's content.

MR. R. G. JONES, whose term as city marshal expired Saturday afternoon, has served this good town well and is entitled to a rising vote of congratulation and commendation. During his incumbency he has never had to use his pistol, preferring to quell the obstreperous fellows with his billy instead of with his gun. He has tried to put the blind tiger operators out of business and has done reasonably well at it. One of his last official acts was to secure evidence by which Solon Craig, colored, who was serving out a fine for selling whisky, was convicted on a second charge and given another 100 days in jail. Mr. Jones is getting along in years now and it is fitting that he should spend his remaining days in a business not so strenuous as that of policeman. We are glad to know that he has saved up considerable money and that he can enjoy a much needed rest without fear of the wolf knocking at his door. Success to the clever old ex-"chief of police of Stanford."

A BEAUTIFUL PORTRAYAL.—A few years ago it would have been hard to find a minister of the Gospel who did not hesitate to denounce the great majority of plays and almost all forms of theatrical amusement. To-day, thanks to the plays such as "Ben-Hur" and "The Holy City" the drama finds in the church some of its staunchest advocates. It is a potent fact that the antipathy which was once so universally manifested by strict churchmen toward the drama, is gradually lessening. This encouraging condition has in no small measure been brought about by the fearless outspoken statements of a number of broad-minded clergymen who realize the great good which can be accomplished through the mediumship of wholesome plays. Their endorsement of the great Biblical drama, "The Holy City" has been from the first production of the play been most hearty, and has without doubt added greatly to the success of the enterprise. The above mentioned attraction is booked to appear in this city on Jan. 27th, at Walton's Opera House, and its performance here will be awaited with eagerness.

It Does The Business.

MR. E. E. Chamberlain, of Clinton, Maine, says of Bucklen's Arnica Salve "It does the business; I have used it for piles and it cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c at Penny's Drug Store.

It is stated that the Shah's jewels are valued at fifty million dollars.
